Dear Judge Maas:

As your docket will indicate the above reference matter is scheduled for a Settlement Conference on September 4, 2008.

Due to summer vacation scheduling and the birth of a child to defense counsel, the parties have not yet completed the discovery which would enable them to discuss settlement fruitfully.

In light of the above, it is respectfully requested that the Settlement Conference be adjourned for 30 days to a date and time convenient to the Court and parties.

There has been one prior request for this relief which was granted and, of course, defense counsel joins in this request.

Your consideration of this request is most appreciated by the parties.

Very truly yours,

  
Fredric M. Gold
